# T - Ball Sponsorship Opportunities

## 2005 Season

The Elk Grove Community Services District Department of Parks and Recreation would like you to join us in presenting T-Ball 2005. T-Ball teaches boys and girls the fundamentals of baseball, good sportsmanship and teamwork in a fun non-competitive way. In this league all teams boast smiles, as well as an understanding of competition, cooperation, and leadership abilities.

Close to 1000 kids aged 4-7 will participate in our program that begins this March. The players will be divided into three leagues with approximately 90 teams in various locations around town. A child's participation in the program will help to build confidence and self-esteem, and when kids feel good about themselves they operate more effectively and productively in our communities, families and schools. Your sponsor funds will help to offset the costs of printing team jerseys, hats, and a trophy for each participant, as well as provide your business an opportunity to enrich the lives of each participant.

Sponsoring a T-Ball team is a great way to promote your business, community group, or to show individual support in the community. Supporting area youth sports organizations sets an example for children to see community teamwork in action. ***By working together we can promote your business while strengthening the community.*** We are currently seeking sponsors to offset the expenses of T-Ball.
